Friendly Quality

FSC Flight Crew Training

FSC has an unparalleled experience with Flight Crew training. Annually we train 1500 individual pilots and we have a customer base of over 140 airlines. We operate 13 of our own full flight simulators and are fully committed to delivering high quality training.

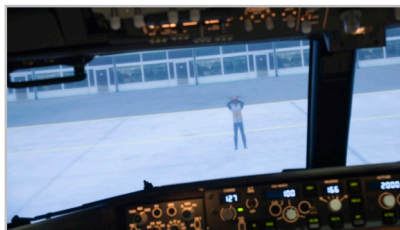

Our training department has extensive experience with all different variations of flight crew training and can assist you with virtually any request, including implementing your airline procedures throughout any course.

FSC's slogan "Friendly Quality" shines through in any interaction we have with your flight crews. We can even offer full service solutions which include travel and accommodation arrangements. In short; we are here to make your life easier!

All of FSC's courses are EASA approved and meet the highest standards.

We offer the following flight crew courses:

- › Type Rating courses
- › Recurrent courses
- › Jet Orientation courses
- › Multi-crew cooperation courses
- › TRI/SFI courses
- › Command courses
- › SEP courses
- › Specialty courses
